

Dear FCC. I am a member of the US Air Force and move approx every 3 years. At my last assignment, I was fortunate enough to live/drive w/in K-LOVE broadcasting. K-LOVE is the best station because it is positive, encourage and suitable for our whole family. If K-LOVE were displaced due to LPFM priority we would be forced to play CDs and miss out on such things as encouragement and unbiased news. K-LOVE is in the public's best interest because of the aforementioned and additionally, they are listener supported - if people thought K-LOVE was not beneficial they would not provide financial support.
